

Mobilization Strategy for Reaching the nations—Right here, Right now!

- A vision is birthed within the local church to reach the nations right here and right now.
- The local church's leadership commits to the vision.
- The local church requests ISI's assistance with leadership selection, strategy development, vision casting, and program implementation (Partnership Agreement).
- ISI assists the local church with the selection of leaders responsible to promote, coordinate/mobilize the congregation to the vision, as well as identify appropriate strategies.
- ISI provides training for the local church's mobilization team.
- ISI assists with the church's initial vision-casting and lay ministers' recruitment.
- ISI provides training for constituents interested in cross-cultural ministry (i.e., Friendship Partner™ training, etc.).
- ISI provides discounted cross-cultural ministry resources to the local church.
- ISI provides ongoing consultation/coaching/ training of leadership team and/or ministering individuals.
