Anto DePadua – *Contingent Ministry Rep – Lemont, PA*

“My name is Maria Antonietta, better known as Anto. I am native of Venezuela. I had a joyful childhood with my brother and my single mom at a mountain 30 min from the city. I started music lessons when I was 9 years old and have been playing classical music since then. I came to the U.S. in 2013 to study music in cello performance. I now know it was all part of God’s plan for me to come here. I accepted Christ as my savior months after coming to the U.S. and a new Anto was born then. I recently married the love of my life (Jude), and we live in Pennsylvania,

where we both serve on campus ministry. I love hosting events, meeting new people, getting to know different cultures, reading, playing music, and dancing.”

Rajan George – *Contingent Ministry Representative – Charlottesville, VA*

In her leisure time, Saron enjoys spending quality time with her family.

Bob & Carrie Louer – Contingent Ministry Representatives – Avenel, NJ

Carrie Louer grew up a farm girl, and she loves urban centers. Jesus captured her heart while in college. She was on staff with Cru (Campus Crusade for Christ.) from 1988-2019. With Cru, Carrie watched God change the lives of “Buckeyes” at Ohio State, led nationally with the campus ministry, and launched a ministry for “20-somethings” in NYC. In 2019, she made a career transition to teach English as a Second Language in the public schools. God gave her the gift of Bob as a husband in 2014. She is thrilled that God is calling them to ISI in Princeton. Carrie enjoys jogging, getting lost in a novel, welcoming people into her home and arranging fresh flowers for her table.

Bob Louer has served as pastor to Presbyterian churches in New Jersey and New York City, and has preached widely throughout New York City. As a Philips Talbot Global Ministry Fellow through the Madison Avenue Presbyterian Church (NYC), he also served Christ’s Church in central southern Africa, based in Kitwe, Zambia. God called him to the ministry after Bob had worked for nearly two decades in the pharmaceuticals industry—in logistics, sales, marketing, and advertising. Bob is looking forward to serving along with Carrie in the ISI Princeton ministry. He enjoys running, sports, music, reading, cooking, and due to an incurable case of wanderlust—traveling.

Mollie Lund – Contingent Ministry Representative – Beaumont, TX

“I am Mollie Lund, and I have been married to my husband Trygve for almost two years. We live in Beaumont, TX, where we are actively involved in our local church, Beaumont's First Baptist. I have been serving as the part-time missions minister there since January 2020. I just graduated from Dallas Theological Seminary with a degree in cross-cultural ministry. I am thrilled that God has opened the door for me to serve international students at Lamar University! In my free time, I enjoy baking, reading, and spending time with friends (*bonus points if it's over good coffee!*).”

Travis Pierce – Ministry Representative – Glendale, AZ

After 20 years of service, Travis retired from his position as a deputy sheriff in Arizona. He has served as a Ministry Representative with ISI since 2014, and finds great joy in working with

international students and sharing Christ with them through life together and the M28 bible discovery study. He is attending Phoenix Seminary to further his education and continue to grow a shepherd's heart. Travis and his wife Holly, also ISI staff, have two beautiful children, Adrian (4) and Arabella (2).

Lachlan Warrell – Contingent Ministry Representative – New York, NY

“I came to Christ at age 15 in Australia, through a book about Christian basketball players, and soon was desperate for my family and friends to know Christ. I came to boarding school in the U.S. to pursue dreams of using basketball to glorify the Lord; however, I soon discovered instead He was calling me to long-term missions! I came to NYU to study social work immediately after and was deeply impressed by the Lord during my undergraduate studies that He wants to use me to reach unreached people groups and mobilize missions at NYU. This is why I have now joined ISI!”
