***Rod Innis – Contingent Ministry Rep – Hawthorne, NJ***

“I was born in 1947 in Canada and came to faith in Jesus Christ at the age of 11 in my home church. I was active in that church during my teenage years and went to LeTourneau University to prepare to be a missionary in 1968. I married Shirley in 1973 and God has given us three wonderful children. We went to Ecuador as Word of Life missionaries in 1978, and we were missionaries there until 1991. I was a pastor of a Spanish church in New York City for a couple of years, and I became a Bible teacher at Hawthorne Christian Academy high school in 1995. I retired this year after serving there for 25 years. I became a volunteer with the ISI ministry at a local university 7 years ago and have continued to work with international students since that time. Shirley and I became interested in this ministry after taking a Perspectives class at our church. I look forward to continuing to work with international students as a staff member.”

***Kris Lahti – Ministry Representative – Reno, NV***

“Jesus caught my attention when I was 14! Amazed and grateful for the transformation He brought to my life, I attended Corban College. While there, I married and had two children.

In 2007, I began attending weekly international outreach dinners. In 2008, I began sharing my home with international women and having a weekly Sunday dinner for international students. My new husband and I met at one of those dinners and married in May 2011. Now, almost 10 years later, we still enjoy hosting an international women’s house and connecting with students in any way we can!”

***Andrew Yim – Contingent Ministry Representative – Cincinnati, OH***

“I’m a Korean American who moved to America 12 years ago after my service for the Republic of Korea Army. I’ve lived in Cincinnati for 10 years and that is how old I am as a born again Christian and a follower of Jesus. From the very beginning of my spiritual journey, I’ve always wanted to tell people how great our God is and how mysterious but truthful the Holy Bible is, so I’ve volunteered to serve small groups and to teach Sunday school in my church. But my ultimate goal is to do mission work in North Korea when it opens the door. For this reason, I wanted to meet more people who

don’t know God outside of the church setting. Thankfully the opportunity to work with ISI is given, and I’m glad to be here to learn and do God’s Kingdom works.”
